

THE STORYLIGHT FRONTIER

WEEK THREE:
PIRATE SKYLANDS

WELCOME BACK, STORY TRAVELER

Congratulations on helping restore the magic of Wondervale Park!

The Dreamlight Generators are shining once again, and creativity has returned to the park. But during the celebration, Frontier scouts discovered something unusual in the skies beyond Wondervale...

Floating islands.

Ancient airships.

Mysterious treasure maps.

And a distress signal coming from a place known as...

PIRATE SKYLANDS

WE NEED YOU STORY TRAVELER!

Far above the clouds, scattered across the sky, lie islands filled with adventure, hidden treasures, daring explorers, and legendary stories.

But something is wrong.

Several Skyland Maps have disappeared, and without them, travelers cannot safely journey between the islands. The Frontier needs brave Story Travelers to help chart new paths and uncover the secrets of Pirate Skylands.

This week, you'll become an official Sky Explorer and help restore the lost routes of the skies.
